Modern is a mode of dance born out of rebellion to express oneself in a way other than through classical ballet. It's an explosion of movement out of a proper and codified system. It allows a different means of expression and style that helps serious dance students become more versatile in their many studies of dance training. Contemporary style is a twist on ballet, lyrical, modern & jazz. It's a favorite for dance audiences around the world! This class is highly recommended for serious students in ballet II, III, IV, V & VI! Students may go barefoot or wear foot undeez & dance paws. (for recital and performance they wear tan jazz shoes)

MUSICAL THEATER

This educational opportunity is available to students enrolled in ballet, tap & jazz. Each month or so, the class will study a specific Broadway show or movie. Then they will learn bits and pieces of the choreography from that show. Each chosen show will be age appropriate and who knows what might happen – acting, singing, dancing – all packed into one class! (tan canvas jazz shoes)

PRIVATE LESSONS -

These lessons are scheduled individually for students who have been training in dance and/or tumbling for a long period of time, and have shown great potential to compete with the Diva Dance Co. They meet with the designated teacher every week for 30 minutes in order to learn a routine for competition or pageant purposes only. Tuition is \$35.00 for a 30 min. lesson OR \$25 each for a duet/trio or small group. These students must be enrolled in regular classes too. (please note: you may also schedule a private lesson for extra help)

COMMON QUESTION: What classes should my child take to prepare for competition or dance team try outs? Ballet technique is extremely important, as well as core classes (tap & jazz) and lyrical, leaps & turns, "RED HOTS", hip hop & tumbling skills. Musical Theater helps with acting & facial expression too! Take advantage of taking 6 classes & the rest are free!! This builds a very strong & versatile dancer that is interested in taking their training to the next level!!
